MANAGER, INTERNAL AUDIT Saskatoon

Under the direction of the director, internal audit, you will perform assurance and advisory engagement services, manage assigned staff and audit assignments, ensure that the audit schedule is completed in a timely manner, as well as co-ordinate co-sourced and out-sourced external consultants and subject matter experts as needed for specific assignments. Having corporate exposure, you will assist in the preparation of audit committee and senior executive reporting.

You have a bachelor's degree in business, commerce or a related discipline, supplemented by five to eight years of managerial work experience, a certified internal auditor (CIA) designation, as well as a professional designation in accounting, or an equivalent combination.

You have been successful in a leadership role in the workplace, with superb interpersonal and organizational skills.
