#### DIRECTOR, INTERNAL AUDIT Saskatoon

You will manage the internal audit department staff and audit their assignments to ensure that the audit schedule is completed in a timely manner. You will support the chief internal auditor in establishing and achieving departmental objectives and targets, which align with corporate objectives. You will co-ordinate and manage co-sourced and outsourced audit relationships as they are needed for specific assignments.

You will maintain professional expertise and awareness of emerging trends and issues, while demonstrating leadership and contributing to the profession and community.

You have earned a bachelor's degree in commerce, finance, accounting or auditing, with eight to twelve years of progressive internal audit experience or an equivalent combination. You have managed audit staff and have interacted with all levels of management and with external audit firms. Certification as a CA, CMA, CGA or CIA is required.
