

CAREER OPPORTUNITY

Title: Audit Advisor - Construction JOB OPENING # 16586

Enbridge Pipelines Inc. has a rewarding opportunity for an Audit Advisor - Construction in the Audit Services Department in Edmonton.

SPECIFIC ACCOUNTABILITIES

Responsible for the development and execution of construction audits based on key project and business risks, as well as the vendor audit section of the Internal Audit Plan. Work collaboratively with Enbridge management and construction personnel providing analyses and customer-focused/value-added recommendations for the Enbridge Inc. companies.

CANDIDATE REQUIREMENTS

- Provide technical expertise in identifying control deficiencies and improvements which will result in reduced costs, improved quality and efficiency
- Establish audit programs and procedures to effectively address the risks and test the controls identified
- Communicate the results of work to appropriate parties
- Assist in research and analysis of technical and best-practice standards
- Present accurate and timely audit reports with clear and supported audit findings
- Provide effective presentations of information to all levels of the organization regarding construction audit findings and recommendations for improvement
- Maintain current knowledge on construction audit trends and standards
- Coordinate and review work of external consultants on construction vendor audit engagements.
- Perform special project work as requested.

QUALIFICATIONS

- Business and/or Engineering degree preferably combined with a professional accounting certification/designation or an MBA degree.
- Business experience in the construction industry an asset (Project Management Professional)
- Working knowledge of Canadian/International accounting and/or auditing standards
- Minimum 4 years of business/operational experience with 1-3 years experience in an audit capacity preferred
- Excellent communication and presentation skills
- Strong organization skills; ability to manage multiple, concurrent projects
- Ability to work independently with minimal supervision
- Ability to facilitate, negotiate and influence at all levels of the organization
- Strong computer skills; ability to become proficient in PC based software packages.

- An equivalent combination of education and experience may be considered, where appropriate
- Salary will be commensurate with qualifications and experience.

HOW TO APPLY

Enbridge, where energy meets people, named one of Canada's Top 100 Employers and Alberta's Top 50 Employers for 2012.

If you are interested in this exciting opportunity, please apply on-line through our website at www.enbridge.com in complete confidence by December 6, 2011, 12 midnight Eastern Time, quoting Job Opening #16586.

Only candidates being considered for an interview will be contacted.
