

Corporate Office

CAREER OPPORTUNITY

ATCO Group, with more than 8,000 employees and assets of approximately \$12 billion, delivers service excellence and innovative business solutions worldwide with leading companies engaged in Utilities (pipelines, natural gas and electricity transmission and distribution), Energy (power generation, natural gas gathering, processing, storage and liquids extraction), Structures & Logistics (manufacturing, logistics and noise abatement) and Technologies (business systems solutions). More information can be found at www.atco.com.

The ATCO Group Corporate Office has 2 employment opportunities for the following position in Edmonton and in Calgary, Alberta:

SENIOR INTERNAL AUDITOR

This position presents a unique opportunity to learn, understand and contribute to the development of a world-class risk management and internal controls environment, and will be of interest to individuals who are looking to develop their audit skills and gain exposure to the diverse companies within the ATCO Group.

Responsibilities:

Reporting to the Supervisor, Internal Audit, you will:

- Plan and execute operational and financial audits that deliver added value to the business;
- Develop and complete audit programs that review processes, policies, operations, methods and procedures designed to reduce risk, liability and cost and increase the effectiveness and efficiency of business units; and
- Work with management to ensure sound systems of internal control are maintained and business processes are improved.

Qualifications:

- Have a professional designation, e.g. CA, CMA, CGA and have at least two years of post-qualification experience along with prior audit experience;
- Demonstrate strong analytical and investigative skills;
- Excel at verbal and written communication and be able to present identified problems and facilitate problem resolution;
- Relate well to people at all levels, and be able to work effectively in a team environment;
- Be well organized and able to meet tight deadlines with minimal direct supervision;
- Produce results with accuracy and a high quality of work; and
- Ability to work well under pressure in a rapidly changing environment with minimal direction.

In addition to a dynamic work environment, we offer a competitive compensation package and a comprehensive benefits program. We believe in growing and developing our talent within ATCO and are pleased to offer our employees the ability to advance their careers within the ATCO Group.

Interested candidates should submit their resume to ATCO Careers at www.atcocareers.com quoting competition number #70-12-92300-011712 on or before February 8, 2012
