### Description

This position presents a unique opportunity to learn, understand and contribute to the development of a world-class risk management and internal controls environment, and will be of interest to individuals who are looking to develop their audit skills and gain exposure to the diverse companies within the ATCO Group.

Reporting to the General Supervisor, Internal Audit, you will:

- Plan and execute operational and financial audits that deliver added value to the business.
- Develop and complete audit programs that review processes, policies, operations, methods and procedures designed to reduce risk, liability and cost and increase the effectiveness and efficiency of business units.
- Work with management to ensure sound systems of internal control are maintained and business processes are improved.

### Qualifications:

- Have a professional designation and have at least two years of post-qualification experience along with prior audit experience.
- Demonstrate strong analytical and investigative skills.
- Excel at verbal and written communication and be able to present identified problems and facilitate problem resolution.
- Relate well to people at all levels, and be able to work effectively in a team environment.
- Be well organized and able to meet tight deadlines with minimal direct supervision.
- Produce results with accuracy and a high quality of work.
- Be proficient with MS Office applications; familiarity with ACL is an asset.
- Some travel is required, including the opportunity for overseas assignments.
- Advancement into line positions in all ATCO Group companies is a possibility.

In addition to a dynamic work environment, we offer a competitive compensation package and a comprehensive benefits program.

*We would like to thank all applicants for their interest, however only those being considered will be contacted.*
